

## Peridot Group appoints Doug Morgan as Chief Executive Officer

12 July 2023 - Peridot Group, a leading provider of treasury solutions with over \$68 bn in B2B payment volumes across 75 countries and 26 currencies, is pleased to announce the appointment of Doug Morgan as Chief Executive Officer.

Over the course of his 30-year career specializing in providing technology, information and services to large enterprises, Doug has built an outstanding track record of leadership, customer success, product innovation, operational excellence, and strong consistent growth.

Doug previously served as CEO of Compliance Solutions Strategies (CSS), a provider of regulatory solutions and services to the global investment sector, driving the growth of that company and managing its sale to Confluence Technologies in late 2021. Before CSS, he was Group CEO of Cordium, a UK-based provider of regulatory consulting services and software, which was acquired by ACA Compliance in 2018. In the years prior, Doug held senior positions at SunGard, where he ultimately had global responsibility for the company's business of delivering software and related services to institutional asset managers, custodians, and alternative fund managers. Doug received his undergraduate degree from Yale and holds an MBA from the Wharton School of the University of Pennsylvania.

The Board of Directors of Peridot announced, "We are very pleased to welcome Doug to lead the excellent team at the Peridot Group. He brings the ideal mix of strong leadership skills, creative entrepreneurship, deep technology experience, and an intense customer focus to help drive Peridot forward."

"Treasury solutions is one of the most dynamic and exciting areas of financial services today," said Doug Morgan. He continued, "Peridot's technology-enabled suite of solutions supports payments on behalf of over 2,500 clients globally, while improving treasury management, lowering costs, quickly and accurately reconciling disputes, supporting accounting and financial reporting, and underwriting counterparty credit. I'm looking forward to joining Peridot's world-class global team of 300 professionals as we maximize growth opportunities and create enhanced value for our customers."
